

## Didelta FanciFiller™ Silver Strand

Didelta FanciFiller™ Silver Strand is a silver foliage plant with an upright/mounding habit and velvet textured leaves. It looks like a succulent but is much faster to produce and has a culture that allows it to be combined with traditional spring and summer crops for bold, yet tough, combination plantings.

**Height:** 8-10 inches  
**Spread:** 10-20 inches  
**Seasons:** Spring, Summer

**Colors:** White-Silver  
**Usage:** Combinations, Landscape  
**Other:** N/A
