

Petunia Series

Petunia hybrid

Petunias are a fine choice for the garden, but it is also a good selection for planting in outdoor containers and hanging baskets. Because of its trailing habit of growth, it is ideally suited for use as a 'spiller' in the 'spiller-thriller-filler' container combination; plant it near the edges where it can spill gracefully over the pot. There's a lot of great varieties to choose from!

Height: 8-12 inches	Colors: Assorted
Spread: 12-20 inches	Usage: Mixed Planters, Hanging Baskets
Seasons: Spring, Summer, Autumn	Other: N/A

GROWER CULTURE
